DETAILED ACTION

Examiner's Amendment.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Cancel claims 9-30.

Reason for allowance

The following is an examiner's statement of reason for allowance: None of the references of record teaches or suggests the claimed High Wireability Microvia Substrate having a conductive layer spaced from the second signal plane by a layer of dielectric material, the conductive layer forming the top surface of the carrier and being electrically coupled to the semiconductor chip positioned above the chip carrier, to deliver signals to and from the chip through the conductive layer to the top surface of the second signal plane; the chip having a planar surface, the edges of which create a footprint image on the carrier, the signals from the chip entering the carrier within the area of the footprint image, circuit lines on a surface of the second signal plane routing a first set of signals to a location outside the area of the footprint image and routing a second set of signals closer to an edge of the footprint area; the circuit lines coupled to microvias extending

through the second signal plane down to the first signal plane, at least some of the second set of circuit lines being rerouted on the first signal plane to a location outside of the footprint area or to a location within the footprint area closer to an edge of the footprint area, the core having a plurality of conductive vias through which all of the signals are adapted to be transmitted between the chip and a printed wiring board.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
